

## **MISSION STATEMENT**

Give all newborns a chance to live a normal life.

Provide the opportunity for early treatment of diseases that are diagnosed before symptoms appear.

Promote greater awareness and consciousness of inborn errors of metabolism among physicians, scientists and the general public.

Provide excellent services, training and research committed to the betterment of life.

## **VISION**

Become a premier globally competitive, socially responsible center of excellence in the diagnosis and comprehensive care of children with inborn errors of metabolism and other genetic disorders.
