

Vision, Mission and Core Values

Written by WVSU Medical Center

Vision

A leading healthcare institution, responsive to the needs of the community through service, training and research.

Mission

We promote quality, affordable and accessible healthcare services and wellness programs that cater to the community.

We provide excellent and innovative health care training, education and research programs towards prevention and management of diseases.

We foster personal and professional growth, productivity, creativity and teamwork of our human resources.

Core Values

- Teamwork
- Holistic
- Integrity
- Sense of Urgency
- Compassionate
