Project Reference No. IB No. 22-20
Name of the Project Procurement of Various Drugs and Medicines-B
Location of the Project WVSU Medical Center

ADDENDUM NO. 02 - 2022

May 17, 2022

This Addendum No. 02 is issued to reply the clarification raised by the bidder for the project. This shall form an integral part of the Bidding Documents.

I. Item No. 14, Epoetin Alfa 4000 IU pfs/vial

Clarification	Reply
Supplier would like to clarify the dosage of the foregoing item as it is not indicated in the bidding documents	As long as per pfs/vial contains 4000 IU it is acceptable regardless of volume

II. Item No. 16, Filgrastim 300mcg/vl.

Clarification	Reply
Supplier would like to clarify if we will accept its product which is 0.9 ml pre-filled syringe	Product is acceptable

III. Requirement of Photocopy of CPR for each item

Clarification	Reply
Supplier asks clarification if this CPR requirement is not applicable to Molnupiravir since it is still an experimental drug which has been granted only an Emergency Use Authorization by the FDA	The BAC would still require an Emergency Use Authorization and no longer require a CPR for this item

For guidance and information of all concerned.
